

**Leadership Luncheon with Bobb Biehl hosted by NEXUS on January 14, 2010**

NEXUS hosted the first annual Leadership Luncheon with Bobb Biehl, speaker, author and Executive Mentor. Bobb delivered an impactful presentation, titled "Breathe In". Bobb is founder of Masterplanning Group International and has consulted over 400 clients nationally. [www.BobbBiehl.com](http://www.BobbBiehl.com)

The event offered an opportunity for many NEXUS alumni and community leaders to attend and learn about the NEXUS program. NEXUS has created a forum across religious, racial and gender lines based on the common desire to improve not only ourselves, but our city. It is a vehicle for the development and improvement of personal leadership skills through coaching and interactive teaching as well as a means for participants to build relationships in the Memphis leadership community. Recruitment for the NEXUS Class of 2011 will take place this spring. If you are interested in learning more about NEXUS please contact [nexus@2pc.org](mailto:nexus@2pc.org).

NEXUS is funded through alumni and individual gifts. We would like to encourage you to make an investment in our community and financial contribute. Make a gift to benefit the future leaders of our community at [www.nexusleaders.org](http://www.nexusleaders.org).
